

# QParents

Secure online parent portal

## QParents is coming

Great news: Tullawong State High School will soon be providing our parent community with the opportunity to register for QParents.

The QParents web and mobile application provides a more convenient, easier way for parents and legal guardians of Queensland state school students to interact with their child's school. Parents will have secure, online access to their child's student information, anytime, anywhere, through a smartphone, tablet or computer.

QParents allows parents to connect instantly with their child's school to access and manage their child's student information, including:

- Attendance and absence details, as well as the ability to notify the school of an absence
- Academic report cards
- Class timetables
- Downloading exam timetables and assessment planners
- Viewing unpaid invoice details, payment history, and making payments online
- Viewing and updating personal student details, including medical conditions and address
- Enrolment details
- Upcoming events list showing school events, exam and assessment dates, and excursions.

QParents will assist both staff and parents in sharing and responding to information in an efficient and effective way.

We will be sending out invitations for parents to register for QParents in the coming weeks.

QParents won't replace the traditional ways you communicate with our school, but it will provide another way to communicate with us.
