

Tullawong State High School

Soaring to great heights

Tullawong Academy Program

Applications for entry into the Tullawong State High School Academy Program are taken at specific times each year for enrolment in the following year's program. If any of the programs described below interests you, please contact the school for an application form and closing dates.

Academies are designed to maximise the potential of very high performing students. Enrolment in a Tullawong Academy provides students with learning experiences that prepare them for a range of post school options.

Highly capable students are stimulated with challenging extension and enhancement opportunities, delivered in collaboration with partner universities and organisations. Academy activities typically include, field excursions, sporting events, specialist workshops, seminars, competitions, guest speakers/presenters and camps. Students are challenged by an array of school-based activities.
