

Tullawong State High School

Bring Your Own Device (BYOX) Minimum Requirements and Check List

- Students are responsible for looking after their own device. No storage options are available at the school. Students are required to bring their fully charged device to school on a daily basis. No chargers are available at the school.
- The minimum specifications outlined in this document are the minimum that have been tested and are known to work within the BYOX environment. Older devices may have difficulty connecting to the wireless network.
- Parents will need to arrange adequate insurance in case of damage (or theft). We strongly recommend the purchase of Accidental Damage Protection (ADP).
- The cost to participate in BYOX program at Tullawong State High School is \$40 for the school year.
- Check the [School Website](#) for information about software downloads available to BYOX students.
