## Preparing for Enrolment

### and coming to us from a Queensland State School...

Thank you for considering Tullawong State High School for your student. We look forward to meeting you.

As part of the enrolment process, all prospective students are to undergo an interview appointment with one of our School's Leadership Team.

You can make an enrolment interview booking by calling us on 5428 5222 or by visiting us and have our office staff make the booking for you. At times across the school year, local Year 6 students enrolling for Year 7 the following year, will be provided with details to allow them to make an enrolment interview booking. These bookings can be made through the link on our school's website, [www.tullawongshs.eq.edu.au](http://www.tullawongshs.eq.edu.au)

When making the enrolment booking, please advise us of the name of the previous state school. We will print off your child's enrolment details from the State School system for you to check and update at the interview.

Prior to the interview you need to have read the required school documents and completed all relevant agreements and papers. These can be accessed from our website or collected through the office.

You will need to bring the following with you:

*Copies of any current court orders concerning your child;  
Completed agreements and papers; and your  
Completed Student Resource Scheme Form*
