

Tullawong State High School

Soaring to great heights

Junior Leadership

Leadership is embedded in, and nurtured through, our Junior Secondary School philosophy.

All students in the Junior Secondary School have the potential and the opportunity to be leaders. If you want to motivate your peers, organise events, make decisions, have a say in school organisation and mentor other students, then you should consider running for a leadership position in 2017.

Junior Secondary HOD

The Junior Secondary Head of Department is responsible for Year 7, 8 and 9 students, from their enrolment interview to tracking their results and checking on their pastoral care. The JSS HOD and teachers work with a great team of House Leaders and other Heads of Department to ensure that students seize opportunities and know success. We have a great school, and want our students and parents to have the best experience possible. Come and say "hello".
