Tullawong State High School
Soaring to great heights

Junior Secondary School is ready for you

The Junior Secondary Precinct is a safe area for the exclusive use of students in years 7, 8 and 9. This space includes a home base for each House, core subject classrooms, shaded seating areas, handball courts and an amphitheatre. Lunchtime activities are facilitated by trained student mentors.

Classrooms within the precinct are equipped with interactive data projectors and Wi-Fi connectivity. Eye-catching posters help to cue students for learning. Exemplary student work is displayed, and space has been allocated to encourage student ownership.

Our year seven and eight students have their care room within the precinct. The core subjects of Mathematics/Science and English/Humanities are taught by specialist teachers within this zone. Students access specialised facilities around the school as they have the opportunity to experience each of the elective subjects on a term about rotation.

Have you enrolled your child for 2017?
