

Tullawong State High School

Soaring to great heights

School of Creative Excellence

Proudly, we are one of only four such schools in Queensland.

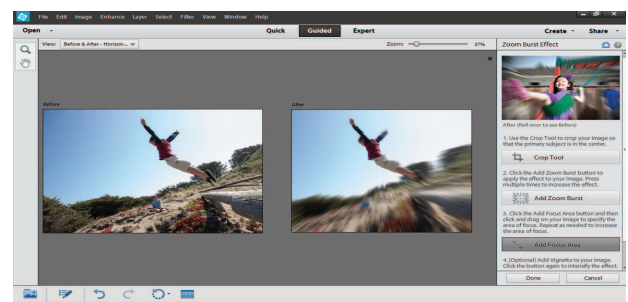

Tullawong has trained Adobe Education Leaders; teachers dedicated to enhancing student creativity and collaboration.

Studying at Tullawong State High School means that students can access the very latest Adobe computer software in their classrooms. The available programs include:

- Advanced Photoshop
- Illustrator
- In Design
- Premiere Pro

Tullawong students can realise their creative potential using digital mediums. Film clips, movie trailers, animations and e-magazines are just a few examples of what is possible.
