Tullawong State High School
Soaring to great heights

Tullawong Culture

At Tullawong we have a strong house culture.

Our five Houses- Alinta, Bambara, Garagah, Kiata and Wooroonga- are the heart of our school. Each House has a highly experienced and dedicated teacher working in the role of House Leader to facilitate access to support services, both within and out of the school. The House Leader inspires and supports their students to participate and give their best in academic, sporting, cultural, and citizenship activities throughout the year.

Within each House, students are divided into year level Care groups. Each Care group is monitored by a Junior Secondary teacher of Mathematics/Science or English/Humanities. These teachers work with the House leader to instil our values, to develop individual academic targets and monitor attendance and student well-being.
